Islamic Heritage Month Virtual Speaker Panel

Date and Time: Saturday, October 30 02:30 p.m. - 3:30 p.m.

Address: Microsoft Teams Microsoft Teams

Join the Orangeville Public Library and the [Muslims of Dufferin](#) as they celebrate Islamic Heritage Month. Community members of all ages and backgrounds are invited to listen to an informative panel discussion featuring speakers from the Muslim community:

- Muslims of Dufferin Imam, Yehya Soliman
- C.D.D.H.S. Muslim Student Association President, Soha Soliman
- Author of the Clear Quran, Sheikh Dr. Mustafa Khattab

Imam Soliman and Soha Soliman served as editors and supporters of Dr. Khattab's work on *The Clear Quran Series Dictionary*:

"Introducing the world's first picture dictionary of the Quran's 2,000+ entries, with the goal of empowering the majority of Muslims (who are not Arabs) to read the Quran in its original, rich Arabic form in just 4-6 months, without having to rely on translations. Five years in the works, this dictionary highlights the connection between all words that share the same root. It's very straightforward, not indulging in redundant details or overly academic discussions that make the book irrelevant. For anyone who has always aspired to have a personal connection with the Book of Allah in Arabic, this dictionary is a dream come true."

Learn through the eyes of an author, a student president, and local Muslim leader, about the importance of the history of Islam and faith, celebrating Islamic culture, and raising awareness in local communities.
